## Marine Salvage and Pollution Abatement

A proven track record of safe, efficient and innovative marine salvage services has made Ballard Diving and Salvage an industry leader. All of our internal systems are designed around our philosophy of providing rapid, efficient and safe response to emergencies. Full time maintenance personnel ensure that when an emergency arises all equipment owned by Ballard Diving and Salvage performs to maximum capacity and will do so for the duration of the project.

All of our operations are conducted in accordance with all Federal, State and Local safety regulations. Ballard Diving and Salvage is proud of the fact that countless operations have been performed with NO lost time injuries.

**NUC provides emergency nationwide service 24 hours a day, 7 days a week - all systems built as fly-away units.**
